CAN THAT SIN!

Going-going-GONE! Grab an empty garbage can and put it in the middle of your family room. Then give each person in your family a pen and a few pieces of paper. Each person should spend some time writing down or drawing out things that can make us stray away from God – things like fighting, lying, disobeying, not trusting God, etc. When everyone's finished, pray together as a family and give those things to God. Then – CAN THAT SIN! Crumple up your paper into balls and take turns throwing them into the garbage can.
