WEEK

5

THIS MONTH...

...we're learning all about the book of **ACTS** and seeing how the people in the very first church were powered up by the Holy Spirit to do the things Jesus wanted them to do.

READ IT
AGAIN

Reread this week's bible story in **Acts 6:1-7**. The number of believers had grown SO much, there were too many for the disciples to take care of by themselves. It was important to choose wise believers to help. See if you can figure out this crazy math to find out the number of men that were chosen to help the church:

If  +  = 2

And  +  = 10

Then  +  +  = _____

the
number of
men chosen

What happened when the believers worked together to help others and preach God's word? (Hint: look at verse 7)

Circle this story in your Bible and write "Work Together" to remind you that the Holy Spirit gives us the power to work together

THIS WEEK'S VERSE

Our verse this week is Ecclesiastes 4:9-10. See if you can complete the verse by filling in the missing words. Then, look it up in your Bible and highlight it or write it on your bathroom mirror to help you learn it.

Two _____ are better than _____.

When _____ people work _____, they get _____ done.

If one person _____, the other person can _____ out to _____.

ECCLESIASTES 4:9-10

LOOK IT UP

Check out the verses below to see what the Bible has to say about why we're better when we work together. See if you can match the verse with what it teaches us.

**Ecclesiastes
4:9-10**

We keep each other sharp

Even though we are all part of one body,
we all have different talents and abilities

**Proverbs
27:17**

We can help each other

We can encourage each other
to love and do good

**Hebrews
10:24**

**1 Corinthians
12:20-25**

APPLY

Acts 6 taught us that it took a team to care for God's people. When we all use our abilities together to serve God, big things can happen. Use the boxes below to write/draw some things that you're good at doing. How can you POWER UP and use these gifts to help others know about Jesus?
