

FAMILY TREE

GRAB A PHOTO ALBUM AND A BOWL OF POPCORN AND SPEND SOME TIME SHARING STORIES ABOUT YOUR FAMILY!

Include any stories you know about parents, grandparents, even great-grandparents.

Kids love learning about their family history!

When you're finished, remind your kids that they're part of an even bigger family – God's family. And His family will last for eternity. If your kids haven't made the decision to be part of God's family yet, this is a great opportunity to talk to them about it!
