SO...WHAT IS FUEL?

FUEL is for all 3rd, 4th, 5th, and 6th graders to FUEL UP their passion for God and be equipped to show and tell Jesus. Our heart is to help children live out their belief in Jesus. Each student will receive a SWAG BAG full of exciting and easy tools they can use to reach others for Christ.

This year, our special guest speakers are Illusionists David and Teesha Laflin. More than simply entertainers, David and Teesha are also gifted speakers. They are quick to point out that everything they do is simply an illusion. Only God can do real miracles. The high-energy and fast-paced show that they present captivates audiences. Through their illusions, the reality of the love of God is revealed in a way that people of all ages connect with. It's going to be AMAZING!!!
