**THAT'S
IMPOSSIBLE!**

**Can you lick your elbow?
How about hum while pinching your nose?**

Grab your family and try doing the crazy tasks on this card together. You'll see that many of them are impossible. As you're doing the things on this card together, read the following verse:

"Nothing is impossible with God." Luke 1:37

When you're feeling worried or overwhelmed or things just seem too hard, you can remember that nothing is impossible with God.

SCROLL DOWN

- Roll your middle finger (knuckle on the table) and lift your ring finger
- Touch your toes when your butt and heels are against a wall
- Lick your elbow
- Grab your toes and jump forward
- Hum while pinching your nose
- Stand up from a sitting position when your hands are on your knees and someone's finger is on your forehead
- You can't eat 6 saltines in one minute without water

- You can't rip a tissue into three parts
