

BASIC TRUTH

I CAN HELP OTHERS

SAY
THIS

WHO CAN HELP?
I CAN HELP!

DO THIS

MEAL TIME

During mealtimes, encourage your toddler to help others by doing simple tasks. They can help carry simple dishes to the table, throw things away, wipe the table, or even feed the family pet. Thank your child for helping and remind him/her that Jesus loves us, and we can show that we love Jesus too by helping others.

PLAY TIME

Sit on the floor, across from your child. Take turns rolling a ball back and forth to each other. When you roll the ball to your toddler, ask, "Who can help others?" When they roll the ball back to you, encourage them to say, "me" or "I can help".

MUSIC TIME

Go to the "JWKids Nursery Playlist" <http://jacobswellchurch.church/jwkids> and play the song "Woohoo! I Can Help You." Let your toddler sing and dance to the song. Remind him/her that Jesus loves us, and we can show that we love Jesus too by helping and loving others.

PLAY TIME

Grab some stuffed animals or baby dolls and a medical kit. Play together and pretend to help and take care of the animals and each other. When you're finished, have your toddler help you clean everything up. Remind your child that Jesus loves us, and we can show that we love Jesus too by helping others.

CUDDLE TIME

Go to the "JWKids Nursery Playlist" <http://jacobswellchurch.church/jwkids> and watch this month's new story with Ms. Danielle called "I Can Help". Remind your child that that Jesus loves us, and we can show that we love Jesus too by helping and loving others.

OUTSIDE TIME

Have your toddler help you water the plants outside. As he/she helps you, remind him/her that Jesus loves us and we can show that we love Jesus too by helping others.

BED TIME

Cuddle with your child at bedtime and pray: "Lord, whatever [child's name] does, let him/her work at it with all his/her heart, as working for you and not for others." (Colossians 3:23)
