BASIC TRUTH

I CAN FOLLOW JESUS

SAY THIS

WHO CAN I FOLLOW?
I CAN FOLLOW JESUS!

DO THIS

MORNING TIME

When you go into your child's room, say, "Good morning! Who's ready to follow Jesus and love our friends? (Pause.) I am! I'm going to start by loving YOU!" (Tickle your child when you say, "YOU.")

PLAY TIME

Play a game of hide and seek sheep – either inside or outside! Tell your children to be sheep and hide. You will be the Shepherd who finds each "sheep". As you play, remind your kids that Jesus is like our shepherd. He loves us and cares for us and He keeps calling us until we find our way to him.

CUDDLE TIME

Cuddle with your child this month and pray, "Dear God, thank You that everyone matters to you. Thank you for sending Your Son, Jesus, to show us how to love others. We want to follow Jesus and love people the way He loves us. It's hard sometimes, but we know we have You to help us. We love You, God. In Jesus' name, amen."

BED TIME

Take out your favorite kids bible and read the story of the Lost sheep together. Take time to thank God for loving us and making sure we find our way to Him.
