

**BASIC TRUTH**

JESUS IS ALIVE

FOR GOD SO LOVED THE  
WORLD HE GAVE HIS  
ONE AND ONLY SON.  
JOHN 3:16

**DO THIS**

**OUTSIDE TIME**

Take your family on a walk outside and look for as many signs of new life that you can (ex: budding leaves, grass or flowers starting to pop, etc). Tell your child that these signs of spring remind us that even though Jesus died, He is alive again! When you get back, say a short prayer and thank Jesus for what He did and celebrate that He is alive again!

**PLAY TIME**

Put a paper heart inside plastic Easter eggs. Hide the eggs in your house (or outside) and have your child find them. Each time they open the egg and find the heart, remind them that God loved us SO MUCH He gave His only son Jesus to us. Have them help you say the bible verse together.

**PLAY TIME**

Have a Praise Party! Go to the "JWKids Preschool Playlist" <http://jacobswellchurch.church/jwkids> and play the song "Hosanna Rock" or "1-2-3 Jesus is Alive". Let your preschooler sing and dance to the song. Have fun pausing the music and instructing your child to freeze when he/she hears the music stop. Remind him/her that we celebrate because Jesus is Alive!

**BED TIME**

Use your favorite kids bible or the free Bible app for kids to read the Easter story with your preschooler!

**REMEMBER  
THIS**

**JESUS IS ALIVE!**

**LIFE  
APP**

Use the free Bible app for kids to read the Easter story with your toddler together.
