## Praise Collage

There are many words that describe who God is. Take a look at the list above and pick out the words that stand out to you. Then, use those words to create a collage, picture, or piece of art as a way of praising God for who He is. Don't forget to send us a picture of your creation when you're finished! Send pictures to Nate at

Pictures we receive will go up on the Jacob's Well Facebook page!
