

BASIC TRUTH

GOD LOVES FAMILIES

**SAY
THIS**

**WHO LOVES FAMILIES?
GOD LOVES FAMILIES!**

DO THIS

MORNING TIME

When you go into your child's room this week, say: "Good Morning [child's name]! Guess who loves you? I love you, (name other family members), and God loves you! God loves our WHOLE family!"

PLAY TIME

Print out one of the Father's Day cards from the link on the JW Kids website and decorate it for somebody special! Give that person your special card and let them know that you love them and God loves them. God loves families!

PLAY TIME

Go to the "JWKids Nursery Playlist" <http://jacobsowellchurch.church/jwkids> and play the song "I Love My Daddy". Let your toddler sing and dance to the song. Have fun pausing the music and having your child freeze when the music stops, or blow bubbles during the song and have your child pop them.

OUTSIDE TIME

Take some time to get outside as a family. Take an early morning walk in a nearby park. Drive to a scenic spot. Go on a walk. Throw/roll a ball together. Blow bubbles in the yard. Whatever you decide to do, have fun getting outside together, making memories with your dad and with your family.

CUDDLE TIME

Cuddle up and read the Creation bible story together. You can find this story in your favorite kid's bible, or on the free bible app for kids. When you're finished, tell God thank you for making and loving our families.

BED TIME

Cuddle with your child at bedtime and pray: "Thank you God for families. I love (name family member's). Thank you for (name family members). Thank you, God for loving our family. We love you. Amen."
