

WEEK 1

GENESIS 6:9-22

God took care of Noah by telling him to build an ark that would save his family from the flood.

Ask: How can our family help each other remember that God takes care of us too?

WEEK 2

GENESIS 7:1-16

God takes care of us and helps us. God made the animals come to Noah and board the ark.

Ask: Who are people who take care of you and help you?

WEEK 3

GENESIS 7:17-24

God takes care of us in scary times. God cared for Noah during a scary storm and kept him safe inside the ark. **Ask:** What do you think it was like to be on the ark during the flood?

WEEK 4

GENESIS 9:8-17

God takes care of us and keeps His promises. God promised Noah that He would never flood the whole earth again. **Ask:** Why did God put the rainbow in the sky?

REMEMBER THIS

"God takes care of us."

1 Peter 5:7

THINGS TO DO

As you wake up your child in the morning, say, "Good morning [child's name]! Today is going to be a great day because God cares about you and so do I!"

Fill the tub with boats (real or homemade) and all kinds of animals and have fun acting out the story of Noah and the ark. Remind your child that God takes care of us just like He took care of Noah.

Cuddle up together and read the story of Noah from your favorite kids' bible or check out the story of Noah on the bible app for kids!

Before bed, name some different ways that God shows He cares for us (ex: sun in the sky, rain for the plants, bed to sleep in, food to eat, family to love us, etc). Then, say this simple prayer together: "Thank you God for taking care of us."

As your driving around, play this month's worship song, My God is #1 and worship together.
